Practice Group Technology — Roundtable "The Use of Large Language Models in Arbitration"

🔍 Unlocking the Arbitral Code: Join us at the DIS Roundtable Discussion, where the frontier of arbitration meets cutting-edge technology! 🚀

👹 "The Use of Large Language Models in Arbitration" 👹

🔍 Curious about the impact of Large Language Models in the arbitration landscape? Our esteemed panelists will navigate through the legal intricacies and technological possibilities. 💬

🔍 Key Questions to Explore:

1. How do Large Language Models enhance document review and analysis in arbitration proceedings?
2. What challenges and ethical considerations arise in the use of AI-driven language models in legal contexts?
3. Can AI bridge language gaps in international arbitration, fostering a more inclusive and efficient process?
4. What role does transparency play in the deployment of Large Language Models in the legal sector?

Don't miss this chance to dive deep into the intersection of technology and arbitration with our expert panel. Register now to secure your virtual seat.
