Dear arbitration practitioners,

We are delighted to invite you to an Advocacy Workshop on cross-examination in international arbitration jointly organized by DIS40 Rhine/Ruhr and Young ArbitralWomen Practitioners (YAWP).

In the first part of the workshop, a panel of distinguished speakers will outline specific issues in cross-examination in international arbitration as well as current best practice guidelines and discuss them with the participants.

For the second part, we are pleased to be able to offer you a practical seminar led by experienced barristers from Radcliffe Chambers (Shantanu Majumdar, Tom Beasley, Steven Barrett and Andrew Brown) in London. You will work on a short case study and practice in small groups cross-examination and re-examination. For details, please see the detailed programme on the next page.

Spaces are limited to 35 and we will operate a waiting list.

Please register with heike.kaschner@hsf.com and kindly indicate whether you will be staying for dinner, which will take place at a nearby restaurant. The event takes place at the offices of ORRICK, HERRINGTON & SUTCLIFFE LLP, Heinrich-Heine-Allee 12, 40213 Dusseldorf.
