

6th HAMBURG INTERNATIONAL ARBITRATION DAYS CONFERENCE

CONFLICT OF LAWS IN ARBITRATION

Pervasive and New Issues

Date: Tuesday, April 5, 2022

Time: 1:30 pm – 6:30 pm (CET)

Venue: Bucerius Law School (2G+ rules apply) and online via Zoom

Fees: EUR 30 (waivable upon request for students and trainee lawyers)

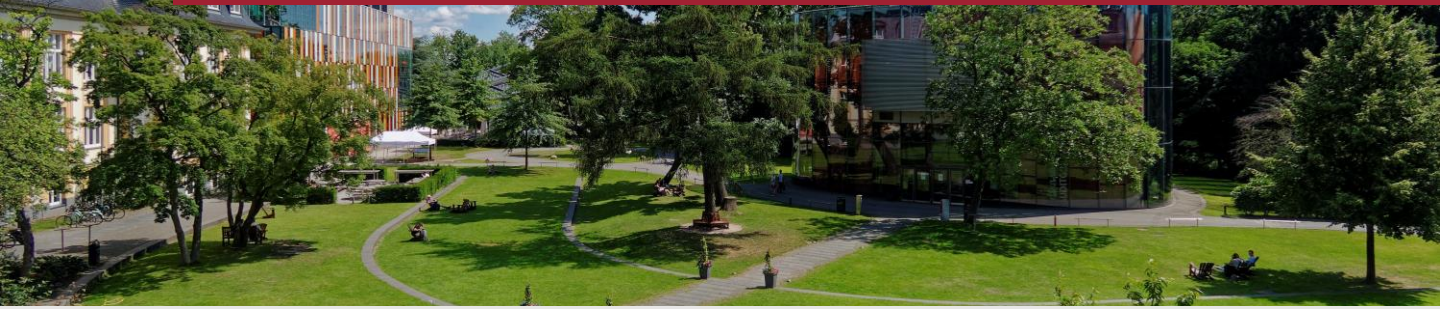

Conflict of laws questions arise at every corner of international arbitration proceedings. Despite an increasing harmonization of the relevant laws, the question which law governs particular procedural or jurisdictional questions or the merits may still be outcome determinative as recent awards and decisions in various jurisdictions show.

The Center for International Dispute Resolution at Bucerius Law School, CAM-CCBC, Hamburg Arbitration Circle (HAC) and Rechtsstandort Hamburg e.V. invite you to join the debate on pervasive and new issues of conflict of laws in arbitration.
