## From Counsel to Arbitrator

Dear DIS40 Members,

Many of us may wonder: How does one take the first steps into being an arbitrator?

How do I get to my very first appointment? How may parties or institutions be convinced to opt for a young practitioner? And once the first appointments have been made, how can young practitioners establish themselves in the market and systematically build up a reputation and track record?

On 31 March 2022 we will jointly discuss this captivating topic together with three experienced young players in the field,

- Allison Torline (Counsel at Busse Disputes),
- Arne Fuchs (Partner at McDermott Will & Emery) and
- Paul Hauser (Counsel at Clifford Chance).

Please feel free to submit any questions you may have on this topic via the comments box in the registration process.

The virtual discussion will be followed by a casual get-together session on an interactive platform that allows to virtually wander among conversational circles.

**Date:** Thursday, 31 March 2022, 7:30 p.m. (CET), followed by a get-together session
