(Hybrid) Summer Arbitration Cocktails with Annette Magnusson: Climate resilience and international disputes

Dear DIS40 members,

It's happening – our first in-person event since almost two years!

We are excited to invite you to our traditional Summer Arbitration Cocktails with a keynote address by **Annette Magnusson**, founder of Climate Change Counsel and former SCC Secretary-General. She will tell us why climate resilience in business matters, explain the role of the Paris Agreement as an accelerator and outline how international dispute resolution potentially could play a role in mitigating **climate change**. The keynote will be followed by a Q&A.

We are equally thrilled to socialise with you again in person while enjoying a **cocktail** at Hogan Lovell's rooftop terrace overlooking Hamburg (weather permitting, otherwise indoors).

Date: Thursday, 16 September 2021, registration from 6:00pm (program starts at 6:30pm)
Location: Hogan Lovells, Alstertor 21, 20095 Hamburg
(Keynote and Q&A also via videoconference, dial-in details will be circulated separately)

Corona rules for the event

Attendance is subject to the following rules:

- "3G rules", i.e. persons must present proof of either being vaccinated, having recovered from a SARS-CoV-2 infection or having been tested negative for SARS-CoV-2 (rapid antigen test);
- FFP2 or medical masks must be worn indoor except while seated.

Registration

To ensure a safe event, **in-person** attendance to the event is limited to 20 persons. Additional participants can join the keynote address and Q&A **via video**. Places will be allocated on a first come, first served basis – with preference given to attendees from the DIS40 Nord region.

To register for this event, please send an email to Ms Ulrike Müller (Ulrike.Mueller@luther-lawfirm.com) by **15 September 2021** indicating whether you wish to attend in person or remotely.
